War
Then another horse came
out, a fiery red one. Its
rider was given power to
take peace from the
earth and to make men
slay each other. To him
was given a large sword.

There will always be war
in the lands of Sosaria.
Throughout its history
the land has been
consumed in strife, and
this turmoil shall continue
until Oblivion claims all. It
is mankind's very nature
to war with his neighbor.
The Horseman of War
personifies this, and as
such is always quick to
temper and ever ready to
slay his victims.
